

AN INNOVATIVE CONCEPT IN OFFICE STATIONERY

A collection of various SPS brand office supplies. In the foreground, there's a large yellow folder with a black handle and a black clasp, and a smaller yellow folder. To the left, a red and white checkered folder is open, showing a black pen and a small red box. In the center, a white binder with a black spine is open, showing a spiral binding and several white pages with colorful tabs. To the right, there's a stack of colorful folders (yellow, green, blue, red) and a small blue folder with a white clasp. In the background, a row of colorful display books (yellow, green, blue, red, black, white, green, red, white, black) are standing upright. A small white box with a black handle is also visible. The items are arranged on a wooden surface against a blue background.
